Falls Church, VA 22042

Office: 703-776-3030 Fax: 703-776-2570

Christopher Putman, MD

Edward Greenberg, MD

You are scheduled to have a/a _____.

procedure performed at Inova Fairfax Hospital on _____.

Arrive at _____. The procedure will begin at _____.

If your insurance company requires pre-certification for this procedure:

- Contact your insurance company well in advance to ensure coverage.
- Contact our Administrative Coordinator, Dayna Wilder.

Please remember to bring your films or disc if they are not already on file in the Film Library at Inova Fairfax Hospital.

- You will need to make arrangements for a ride to and from the hospital for your procedure. If you are having an outpatient procedure, you will not be allowed to drive due to the medications given for sedation.
- Upon arrival at Inova Fairfax Hospital, go to the **GREEN** entrance (Women and Children's). You may park in the **GREEN** garage.
- If you have taken the skywalk-Pedestrian Bridge-which connects the **GREEN** garage to the hospital, please go to the Ground Floor and proceed to the Diagnostic Imaging/Ultrasound reception desk which is located to the Left upon exiting the garage elevators all the way down at the end by the giant iridescent mobile hanging from the ceiling.

Enclosed you will find a physician's order sheet with the required lab work necessary for your procedure. Please be sure to have your lab work drawn within 30 days of your procedure date, preferably within two weeks. Call us once you have your lab work drawn so that we may track the results. It is not necessary for you to fast for this lab work. Call us if you have any questions or concerns related to the order.

It is important that you have NOTHING TO EAT OR DRINK AFTER MIDNIGHT. (This means no breakfast of any kind.) The procedure will be CANCELED if this is not followed. You may take your normal medication with ONLY SMALL SIPS OF WATER only on the morning of your procedure. Please call our office immediately if you are taking **BLOOD THINNERS such as Coumadin, Xarelto, Eliquis** or if you are a **DIABETIC**. Our nurse will call you the day before your procedure between the hours of 11am – 4:30 pm. If you have not received a call, please call our office.
